Dear aspiring online marketer,

Have you ever wanted to “crack the secret code” that unlocks the hidden mystery of successful video advertising campaign?? Then this will be the **most exciting thing** you’ve ever read.

Video advertising is next frontier in online marketing world... It remarkably helps in getting tremendous exposure, visibility, and better traffic conclusively getting you increased sales revenue.

Digital video advertising is buzzing around...and tech-savvy marketers who are "**onboard the video train**" are cashing in huge with this opportunity.

Have you ever realized that you are missing out the potential of reaching large numbers of **customers, effective targeting, and high and rapid response rate**?

This is because- applying video advertising without a proper stratagem is like **hitting your target blindfolded**.

You’re going to **burn your dollars** and end up with **nothing to show** for it.

Guys, your competitors are **smartly making authority** over the web with this latest **brand boosting windfall** taking place right here...

And if you have the slightest element of doubt in your mind...

Just see how big the **Video Advertising platform** is:

- U.S digital video ad spending is predicted to surpass **\$28.08 Billion** in **2020**
- **92%** of mobile video viewers **share video** with others
- Video ads make up **35% of** total online ad spending
- **36%** online consumers **trust video ads** compared to other modes available
- The average Internet user spends over **16 minutes** watching **online video ads** every month
- **30 second** in-stream **mobile video ads** have **88.3%** completion rate

This is just the beginning; Marketers are **intensifying their reach** and consumers are cutting their ties with traditional media with the growth of video advertising.

According to eMarketer, **U.S digital video ad** spending will see **double-digit growth annually** by 2020.
